Hello Everyone;

Just a heads-up, Zoo Drive will be resurfaced next week (most likely starting on 22 May) from Zoo Drive (5420) to Forrest Lawn Drive. Please feel free to disseminate this information to your stakeholders and throughout your networks.

Truth-be-told, it most likely won't massively impact Los Feliz, but I know that I sometimes take this route to get around the mountains. Others might as well.

Beyond that -- should be a pretty quiet week.

Hope that everyone has a wonderful weekend.
